Betsy's Fall Schedule

November 1 - December 24 - *The Ornamentry*, 801 Pioneer Rd. will again carry my cards and prints.

November 8 & 9 -- *UWA Holiday Bazaar*, Wood Center, University of Alaska, Fairbanks, 10 - 4 pm.

November 14 - 16 - *Holiday Marketplace/Carlson* Center - you can find my items at the booth run by *The Stash* this year.

December 5 - 25 - *Annual Christmas Minis show* at New Horizons Gallery, First Ave., Fairbanks.

December 5 - *Miniatures Show at the Gange* Hall, North Pole

December 6 - *Farmer's Market Holiday Bazaar*, West Valley High School, Fairbanks

December 6 - *North Pole Winter Fest*, North Pole Plaza -- many of my cards, posters, and prints will be available at the North Pole Chamber of Commerce's booth, although I will be at the Farmer's Market Bazaar that day.

I won't be holding a holiday open house this year due to our ongoing studio construction. Look for an open house announcement sometime next year after the work finally gets wrapped up. In the meantime, my current studio is still open and you are always welcome to call and arrange a time to stop by. I would love to have you visit!

If you need any additional information or have questions, please feel free to email or call me.
